“ *I think of Marge whenever it relates to birds. She and Janet did a bird count for us 10 years ago when we bought our farm just north of Lake Kampeska. 26 Total. It was great to see those two in action! We are currently dealing with grackles ... what would Marge do? We have many memories of her and the family, our neighbors for many years on North Lake Drive. Love to you all and the 1 year anniversary of her passing. Marge was such a great Lady. I miss her.*

“ *I loved you dearly and respected you tremendously. I can hear your voice as if it were yesterday, on North Lake Drive, Lake Kampeska. May you be surrounded by Birds and with your dear soul mate, Dutch. Thank you for touching our lives, Dear Neighbor. I won't forget you.*

“ *Don and I had lots of good times with Marge and "Dutch", and Maple and "Gussie" when they worked together at RobSeeCo. It's hard to believe they are all gone. Those were the good old days. I miss them all. My sympathy to Marge's family and God's Blessings to all.*

“ Dear Larry and Nancy,

*I know how concerned you have been for Marg for some time. Take solace that she is now at rest. I remember as always being a kind lady.*

*My sincere sympathy,

“ She will be missed. I enjoyed her knowledge of birds, insects and gardening. I am so glad that her daughter, Janet, shared her with me.
