“ *I'm so sorry to hear of Marjorie's passing. She was the first boss I had who was a great friend as well as a boss. I always enjoyed hearing what all she was involved in when I returned to Wichita for visits the past few years. She was always so thoughtful and cared about others, always asking about my kids and my mother. I'm sure she's keeping everyone on task up there :-). Marj, I miss you.*

“ *I knew Marjorie through a mutual friend, Kay. Marjorie was fun to be around as well as always being very thoughtful. She seemed to always be interested in others rather than talking about herself. I am so sure you, her family, will miss her greatly. We all will. Donna*

“ *There's a place in heaven at the card table for Marjorie. She will be missed here, but I'll bet she's glad to be home at last.*

“ *Marjorie, you taught us all a valuable lesson about courage and bravery and you did it all while maintaining your sense of class and good humor. It was a pleasure to know you.*

“ I have lived across the street from Marjorie for the past 15 years and appreciate the interest she took in my family. She always asked about what was going on with my son, Nathaniel (now 13 years old). We will miss having her in the neighborhood!
