“ *Kathy I am so sorry to hear about the death of your brother Mark. It sounds like you were able to be there when he died . You can take comfort in that . Also you cared for him for a long time, as I remember, which was wonderful. I want to offer my sympathy to your mother also as she has suffered a terrible loss. I see where the service is private but when you are able lets get together for lunch- you and me and Carol. Love, Mary Manhart*
