

Marlene Ann Dillon

November 27, 1936 - March 9, 2021

Marlene A. (Goebel) Dillon, 84, of Yutan, Nebraska died Tuesday, March 9, 2021. God answered her prayers, and she was peacefully sleeping for almost 16 hours at home with her husband and daughter, singing “Be Not Afraid”, and “Hallelujah”, as she took her last breath.

She was born November 27, 1936 in West Point, Nebraska to Lucille R. and Leo A. Goebel. She moved with her family to Fremont in 1941, Memphis, TN in 1951, then to Decatur, AL in 1954, where she graduated from high school, then traveling on to Fort Worth, TX, where she married and had 5 children. She then moved back to Omaha, NE, where she raised her children as a single mother. She was a Principal at St. James Home and Day Care, then worked in the banking industry until meeting her husband of nearly 40 years, Matt Dillon. They became property managers for properties in Las Vegas, NV, Little Rock, AR, Largo, FL, and then back to Omaha, NE. She later worked for Skyline Manor in Omaha, until she retired. She was the Chief, a problem solver, confident, optimistic, crafter, designer, cook, and, above all, the greatest mother.

Marlene and Matt loved their road trips, she often talked about her favorite trip with her grandchildren Zach and Megan, where they traveled to Yellowstone, Mammoth exhibit, Colorado Springs, Cave of the Winds, Mount Rushmore, Grand Teton, and the Kearney Archway monument. She loved visits with

Connie, Craig, and all her children, grandchildren, great grandchildren, and siblings.

She gave so much of herself to others, always helping when she could, always laughing and hiding her illness and pain, so others would not grieve before it was their time, according to her. She only gave her suffering to God. She did Designs by Marlena (The Scarf Lady), crocheting many scarves and blankets. She handed out blankets to the homeless downtown, and gave them to the animal shelter for their boxes they put the pet in to give to their new adoptive family.

I can not express enough our thanks to her wonderful neighbors and friends, Crystal and Mary, and their large Yutan family. Anyone would be blessed to have so many people by their sides.

We will never forget her beautiful smile, her sense of humor, her strength, her faith, her always finding the positive in all things negative, her crafts, and her cooking. We will always remember her humor and quirks when we would tease her about childhood. She was loved by many, and had a beautiful soul. She will always be loved, terribly missed, and in our hearts, forever. She is now the greatest angel that heaven could receive and forever our guardian.

She is survived by her husband William (MATT) Dillon, son Michael Montanio of Omaha, four daughters and 2 sons-in-law, Paula and Denny of Houston, TX, Teresa Montanio of Omaha, Debra and Tom Perry of Las Vegas, NV, and Mary (Montanio) Valentine of Omaha, 6 step children, 25 grandchildren, 15 great grandchildren with two more on the way, 2 great great grandchildren. ; 3 sisters, 3 brothers and all in their families. She was preceded in death by her parents Leo and Lucille Goebel of Fremont, NE, and son-in-law Pat Bosworth.

Her Memorial Mass will be at St. Patrick's Catholic Church in Elkhorn at 10:30

“ *When you and dad decided to get married you said to me that you didn't want to be my mom... you wanted to be my friend. You were that and so much more! I cannot say thank you enough for always being there for, and taking care of, dad and for loving me and my kids like we were your own. Thank you for your guidance, words of wisdom, laughing at the silly things the kids and I did and always wanting to know how we are doing. I will miss you but I know that you are no longer in pain and that I have another angel watching over me. God blessed me and my kids with you. We will miss you!*

“ Mom, I will miss our morning and evening talks, our laughs and arguments, your macaroni salad, your unconditional love, your problem solving and advice. But mostly your laugh and the way you always helped others including the animals. I am so thankful that I had you as a mother. As we know mom, you completed your job, you shielded everyone against the pain and suffering you were going through and paid all your debts. Even father when he came last week could not believe how quick you went. You were AMAZING. Its all done mom, your way. God answered your prayers and I know your at peace with him. I know you are proud of Matt and us all and that your smiling because I know you see now you passed that strength to us so we could get through and go on until we see you one day in heaven. Always in my heart, I'll be talking to you in heaven. Miss you so much. And mom don't worry about my tears, they will happen a lot but know that their will be laughter too and no matter how many tears I shed until I see you again, God is catching every single one. I love you. My deepest condolences to Matt and my brother and sisters, aunts and uncles.

“ Grandma, I may have not told you often enough but you meant so much to me. Every time I had a question about life you always knew the right answer. I will miss our talks, and especially your advice even if I did not always want to hear it. I will miss your smile, your hugs (even when I had the stinky stuff on) I will miss helping you in the kitchen during holidays, your numbered plate thanksgiving tradition, and the time you tried to teach me how to sew. I was curious because you made it look so easy, but I sure never took a liking to it as much as you did. Still, it was time we spent together, time that I will cherish always. I thank you for being such a special part of my life, and our families lives. Your memory lives on in us all.

Our thoughts, love, and prayers go out to our whole family, and those who knew you and loved you.

*Enjoy your wings Grandma!
We love you always,
-Michelle (Missy) Chris, and Mariah*
