“ *Cody and family,
I'm so very sorry to hear about Marsha's passing. She is without pain now and in a happy place. My heart aches for you all but your precious memories will help you get through this very difficult time. Sending my deepest condolences to you all.*

“ *Cody, sorry to hear about Marsha. Prayers and thoughts are with you and your family.*

Sandy Coates - November 26, 2017 at 08:06 AM

“ *Cody & family,*

I am so sorry to hear of your beloved Marsha's passing. It was obvious that you two were extremely close and a very happy couple. I wish she didn't have to go so soon and I know you will miss her immensely. I pray you can find comfort in your wonderful memories together. Take good care of yourself and may your family take good care of each other. Again, our sincere condolences.
