

Martin Miles

March 28, 1967 - June 5, 2024

Martin Joel Miles was born on March 28, 1967 in Omaha, Nebraska. He was raised in Bennington, Nebraska by his parents, Gerald and Judith (Nelson) Miles. Marty graduated from Bennington High School and went on to work in the concrete and dispatching industries.

When Marty needed some time to relax, he would take his camper, “Hooligan’s Hideaway” and spend some time in nature. Marty also enjoyed fishing, playing pool, and watching Star Trek, war movies, and any shows about animals (Marty was an animal lover). He was not a big sports fan, but he did watch and cheer for the Huskers. Marty had an ornery and stubborn side, and he was also very strong willed. He always tried to help others to view life in a positive light. Marty also thought of others and had a generous nature; if he ordered himself a pizza for dinner, he would order a second to give to his upstairs neighbor.

Marty passed away on June 5, 2024. He was preceded in death by his parents, Gerald and Judith Miles. He is survived by his daughter, Anneliese (Alejandra) Ramirez; son, Morgan Miles; sister, Mindi Laaker; and his beloved dog, Mitzi.

Private family services will be held.

“ My father and I had a rough relationship. He thought me the best in life with both loving and cruel experiences. He had his faults as do all of us. I lost my mom. I lost him. But I will always remember the good times too. I know he's sitting by a river with a cold one watching over me now. I love you dad. -morgan

“ My favorite memories with my dad will always be camping. We used to go every weekend and you'd always try to teach me and my brother how to fish or how to roast the perfect marshmallow for smores. I miss you a bunch dad and hope you are resting easy!

“ Marty was always encouraging and giving advice on any question you had. He was a great teacher and friend. He even surprised me when I was dispatching for my birthday and bought us a small cake and some flowers. He will be forever missed and loved
