“ *It is by pure coincidence that I become aware of Marv's passing. My family and the Bolte's spent a lot of time together until we moved when I was in 7th grade. To this day I have a place in my heart for Rhonda, but we grew up and went our separate ways. My parents have also passed, but they always wanted to see Sharon and Marv when we went to visit my grandmother in Beaver Crossing. Memories are plentiful and wonderful. I can only hope that Rhonda and Greg are well. I know our parents had something special... my how time flies. Love and best wishes to all the survivors.*
