“ *Joe, Sean and family, Mary Beth was a wonderful person and an even better friend. My life was better for having known her for over 30 years and she will be missed more than anyone can know. I will miss her infectious laugh and sense of humor as well as her "I'm tougher than you" outer shell. She really had a heart of gold. My thoughts and prayers are with all of you at this time of great loss.*

“ *Joe and Sean, So sorry to hear of Mary Beth's passing. What a terrible loss, she was a wonderful person. I very much admired her no nonsense, cut to the chase, tell it like it is attitude; also her laugh and smile. She was able to make both good and bad situations more enjoyable, able to make almost anyone laugh (even if it was at themselves). Some of my best memories are from the Brumko golf league and the fun we all had, most of it after the last putt was made! You're all in my thoughts and prayers, and you have my condolences. God Bless, Leon Shatek*

“ My heart is heavy but my memories are vibrant. We say goodbye to Mary Beth and her loved ones that have made the journey are waiting to greet her and welcome her Home. She is healthy and free from pain and the burdens of her earthly existence, and for that we praise God. I pray that God will comfort Joe and Sean and that their pain will be consoled by the knowledge of eternal life. We will miss her but we will see her again! “To everything there is a season and a time to every purpose under Heaven: a time to be born and a time to die; a time to plant, and a time to pluck up that which is planted; a time to kill, and a time to heal; a time to break down, and a time to build up; a time to weep, and a time to laugh; a time to mourn, and a time to dance” Ecc3:1-4
