

Mary E Ehly

November 17, 1930 - June 14, 2020

Mary Elaine (Long) Ehly was born on November 17, 1930 in Hooper, Nebraska to Billie and Vera (Bishop) Long. She grew up near Hooper and later moved to Sutton, Nebraska where she graduated from high school. Mary received her teacher certification from Midland College and taught in a one-room school near Sutton where she educated the siblings of her future husband, Harold.

Mary wed Harold Ehly on April 23, 1954, at the family home in Fremont, Nebraska. They were blessed with four children: Daniel, Rebecca, Thomas and Jonathan. Mary and Harold lived in Fremont and raised their family until moving to Omaha in 1990.

Mary was a highly successful and acclaimed Weight Watcher's lecturer and mentor to many for several years. Following this, Mary's interest in interior decorating led her to work for Reiper's Interiors for several years before starting her own Decorating Den franchise. In 1985, Mary branched out on her own and started Ehly's Decorating along with her husband Harold until "retiring" from the business in 2008.

During her years in Fremont, Mary was active in the Fremont Alliance Church teaching Sunday school, leading Bible studies and singing in the choir. She loved teaching people. She taught not only Bible study classes but also taught

decorating classes later in life. She wanted to raise up the next generation of interior decorators to do it right. Many of her students have gone on to successful careers in decorating. Mary was a devoted follower of Christ leading countless people to a faith in Jesus. She treasured time with her family, loved flowers, the color yellow and enjoyed ice cream as often as possible.

Mary passed away on Sunday, June 14, 2020 at the age of 89. She was preceded in death by: her husband, Harold, her parents Billie and Vera; a daughter Rebecca and sister, Juanita Discher. Mary is survived by her sons and daughters-in-law: Dan and Colleen of Lincoln, Tom and Katie of Omaha and Jon and Pam of Omaha; seven grandchildren, five great-grandchildren; and sister Carolyn Gilmore of Bennet, Nebraska.

“ I remember Mary's kind heart. Our family had just moved to Omaha from Kansas City. My daughter Cassie was 4 years old at the time. I LOVED practicing interior design, but hadn't practiced since Cassie was born. Ehly's had a job posting for a full time interior designer. I applied and was selected for the position. On my first day of work, I dropped off my daughter at her first day of daycare. She cried. I cried. We had rarely been apart. I proceeded to go to work and was just broken hearted all morning long over leaving her. By mid-afternoon, I couldn't take anymore. I marched into Mary's office and shared with her how much I missed my daughter. I needed to go and be with her. I shared how much that I cherished my time with Cassie and I knew my days with her were limited, as soon she would be in school full time. I will never forget Mary's reaction. She was so sweet and empathized with me. She told me to go be with my daughter and she offered me a part time position, working weekends. I was shocked and overjoyed! She gave me the opportunity to be with my little girl AND pursue my passion in design. To this day, I become emotional just thinking about that experience. She was a woman of grace, faith, compassion and wisdom. It was an honor to know and work with her.

On a lighter note, Mary introduced me to eating potato chips with pizza. I remember thinking, 'chips with pizza', really? The pizza is fattening enough by itself? Years later, our family is still eating chips with pizza and.....I think of Mary every time. :))
