“ *I met Mary Lou in the late 70's because she was my brother's neighbor and his wife's best friend. So whenever I came into town we would go to her house. She was so funny and I loved how she was with my brother. Her humor matched his and he was not able to make her mad with his teasing. In a few years she married my nephew Bob and was now a part of the family. Mary Lou had a good sense of humor, a wonderful laugh and an even better outlook on life. She loved Bob so much. I am glad she was a big part of the Harm's lives. She will be missed by so many. Say hi Mary Lou to Bob Gernandt and Bob Harm. She has touched so many lives and there will be a big gap in Bob, her kids and grandkids lives. But, she will always be remembered. Rest in Peace Mary Lou,*
