“ *Hello, although I did not know Mrs. Nicholas, I do know the pain of losing someone I love in death. God's Word tells us that even Our Lord and Savior, Jesus Christ, knew this pain as well. When his friend Lazarus died Jesus was so overcome with grief that he cried. But then Jesus brought his friend back to life! (John 11:33-44). Knowing that Jesus has been given power over death gives me confidence that I too can see my dead loved ones brought back to life. (John 5:28,29). These Scriptures have given me comfort at times like this and I hope they comfort you and your family as well. Please accept my condolences. Sincerely, B Pryor.*

“ *Prayers for comfort and peace. It brings me comfort to know that Aunt Mary is with those she loved here and she isn't in pain. Love you, my sweet cousins. May God be with you.*
