“ Ms. Mary was the beloved preschool teacher to 4 of my 6 children. They adored her! Working with preschoolers can be challenging and Ms. Mary met this challenge with patience, creativity, a great sense of humor, and most of all LOVE! A few of our fondest memories from preschool with Ms. Mary include trips to the pumpkin patch, classroom parties, preschool graduation programs, and singing "New Shoes". I am grateful for the love and patience Ms. Mary showed to my children. I offer her family my sincerest condolences.

“ May the good things in life help you all through this difficult time. Remember the fun things, the directions given to you and the outings you had with Mary. She was truly a fine, fun loving lady and fun to be out with. I enjoyed our many trips to plays and dinners. Thanks for being you and blessings to Stan and the entire Radke family.
