“ *Michael and family,
I have known Marlyn for a long time, being in her bridge group in Libertyville and also working at Lake Forest Hospital. I have followed her courageous fight with cancer and know what a joy her family was to her. Please accept my sympathy and peace for your family going forward.*

“ *Dear Mike and family,*

We share in your loss of Maryln. Our hearts are broken and our memories of a very special person will always be with us.

MarylN's strong faith and the love and support she shared with you, the kids and grandkids provided her the courage and purpose to conquer the many battles she encountered.

You are in our thoughts and prayers. We know now Maryln is finally free of pain and at peace in heaven.

*God Bless;
Melody and Tim*

“ I am sorry for the loss of your love one. I just wanted to share some spiritually encouraging news for you all. At John 5:28,29 this scripture can be of much encouragement because we see here that loved ones have a great chance to live again. Also death was not something that God purposed for humans, your dear love one is just in a temporary sleep. I hope that this brought your family some encouragement and happiness.
