“ *I met Megan at Bethany Lutheran Church and Hy Vee. She was a very special person who I loved, and she always came to me for hugs and conversation. A bright light in my life, I took her home a few times from church and work always talking forever and of course many wonderful big hugs. We were Facebook messenger buddies too; I could go on and there she was with "How are you?" She was a Jem!! What a gift God gave to me, I will forever remember Megan. Rest in peace sweetie!! Prayers for her family.*

“ *Megan was an outstanding athlete. She was a force to be reckoned with on the basketball court and made so many good baskets. As a coach, I could always count on her to plug in and do her best with a swim relay. She was awesome to encourage younger athletes on the team. Megan had a very sweet way about herself that always but a smile on everyone's face. Megan will always be remembered and missed dearly. She was strong and very fun! She would often come out with some straight forward refreshing comments that brought us a chuckle of laughter to share together.*
Until we meet again, Coach Pam

Megan had flair which she loved to show in her many colorful hats and outfits she would wear to our Special Olympics practices for Bowling Basketball and swimming.

Megan had a life worth celebrating her happy spirit and determination. She worked hard and remained sweet to her many friends and teammates. We will see you again in some bright tomorrow together with our Heavenly Father! We miss you for now...

“ I remember as a young child, her family pet name was Birdie. I always thought it was because she was such a chatterbox. In any way, your gentle soul will be sorely missed by so many. Our sincere sympathy to her entire family.

“ My heart goes out to her parents, step-parents and siblings. She'll be deeply missed.
When she was little her dad called her Bird. I think it's because she had a skill of making a nest in everyone's heart.
She is bodily gone, her spirit in the shape of memories lives on. ❤️

Thanks to my daughter for her comment. Megan was a delight at birthday parties, in Special Olympics bowling, swimming, and basketball. Steph and Megan were in school recitals from Skyline Elementary through high school. We will be able to see her again on our video recordings by spotting the bows in her curly hair. Megan, we will miss you, but so glad you are in the arms of Jesus with no pain and no tears, only joy!

“ Oh Megan was not expecting this ! I know as we had talked you knew your life here was limited but you were ok with that . I will never forget you feisty self Always ready to stand up for your self. Even on your bad days when I would come into your workplace you would smile. I'm sure we all will for sure miss you but we have so many memories of you. I wanted to get one of your quilts but time ran out and you were to busy. May you be pain free now and forever. Hugs to the family.
