“ *Dorothy and family, we extend our Sympathy to you all in the loss of Merritt. We especially remember visiting your lovely home in Arizona when we visited Bob and Marian Christensen. Also seeing you at the Herman Legion occasionally. Marjorie Hoier said you both had been having problems when I visited with her in Herman a week or so ago. Thank you Merritt for your service to our country, may you rest in Peace.*

We will miss Merritt at our Kehrl-Rosenbaum family get-togethers. He was always In a great mood and loved to catch up on the real estate market and what people were doing and current events. I looked forward to his positive approach on life and his spark of humor. He was a very nice man.

I so enjoyed getting to know Merritt. I loved his sense of humor, his laugh and the way he would shrug his shoulders. Dorothy, your Garden Gallery family holds all of you in our hearts and send our deepest sympathies. Michele Minnick
