“ *I met Bogi about a week before his final birthday. I only spent a few days with him but that was enough to know he was a good soul: a genuine guy who seemed to only seek out that which is good and uplifting on this world (which is what life is all about). His death has left a hole in the lives of those who loved him.*

*I didn't know him well, nor for very long, but his death touched me and I pray that his family and friends find comfort in knowing that he was very deeply loved by them and that he left his mark on this world they his good nature and his ability to bring laughter to others. I count myself as one of the lucky ones, to have had the (brief) chance to know him.*

“ *Mike you are so missed, your smile and joking around. You has a serious side but it didn't come out very often. You were light hearted so full of love for those you care about. Even when we we're not seeing eye to eye you still cared we know your up there watching over us laughing at the dumb things we do but you will have to lead us in the right direction. You will not be forgotten we will always keep you close at heart. Your family and friends are in my prayers .*

“ Mike was a friend of mine. He was a very honest hard working guy. I cannot think of anyone who made me laugh like Mike did. We could laugh and tell jokes for hours at a time. Great guy! My thoughts and prayers are with the family.

“ I am so very sorry for your loss. Mike was a kind, generous, funny, witty friend who could always bring a smile to my face. He always did whatever he could to help a friend and never seemed to turn his back on one either. Knowing him in this life has surely been a blessing from God. Never could he ever be forgotten by anyone that crossed paths with him in our journey through our life. It has been an honor to say the least to have known him. My sincere condolences to his family and friends.

“ Dear Ted, Maryann, Debbie, Chase and family Our hearts ache for you in the loss of Mike. We have never experienced this kind of loss, so we can only imagine what you must be feeling. We know you loved him dearly. May you find peace and comfort in the knowledge that he is now with God. We have no words to make you feel any better or to offer any real relief from your pain. All we can say is that we are so terribly sorry. Neither do we know how to help, except to offer our presence if you need us and to promise our prayers on your behalf. Please be honest if you need anything we are more than willing to help. We’re your family so don't hesitate to ask.

Love

Dave and Roxane
