“ *Many condolences on this sad situation. Monica and Dan, as parents and role models, maybe you feel you were not perfect, but its clear you did the best you could. Why do things like this happen? Many times there is no easy answer. Although I had not spoken to Mike in ages, he left a mark on my life. Fun, funny, wild, passionate, on the edge. To Amy and the family, God's peace to you all. You all our in our thoughts and prayers. We all have our strengths and struggles; NO ONE is perfect; not Mike, not me, not any of us. Forgive each other, love one another, and remember Mike for the ways he touched us all.*

“ *To Mike's Family and Friends: I am so deeply saddened at the death of your son. I had only known Mike about a year but he was a man of honor, kindness and love. Our last conversation was about the fact that he emitted happiness, cheerfulness and encouragement to those around him. He did not believe it when I told him; but was grateful to hear it. I am heartbroken. I pray for your strength during this difficult time. Mike, you are truly missed.*

“ *Monica & Dan*  
I am heart broken to hear of Michael's death. He was such a great kid. I had the privilege of knowing him when he was just a little guy and so darn cute. My prayers are with you and the family during this rough time. I will stop and visit with you after the funeral. Love you guys so much

“ Mike...you were an amazing friend. I am so blessed to have known you for the past 7 years. Grapevine will not be the same without you. I'll miss our college football games and just our general conversations. RIP my friend.

“ Mike, I was proud to be your step-mom and friend. So very proud of your accomplishments in the Marine Corps! You inspired many. All I can think at this moment is your job on this planet was complete, as short as it was. No more earthly worries, fears, challenges, and hurts. Your living free in eternity. Your spirit is in rest. May God hold you forever in His hand.

Love,  
Judi

“ It seems like onky yesterday we were kids and saw each other often. As happens in lives we have grown and moved apart but you always have had a special place in my heart because, as is often said, cousins are our first friends.

May you rest in peace my cousin, my friend.

“ December 2001 was the day I met you, and a day that redefined the man I have become. As a young Sergeant entering one of the most challenging jobs In the corps, you led me, inspired me, toughed me, cared about my success, but most notably became a friend that I will cherish forever! I love ya brother and until we meet again, Rest In Peace.
