“ *I met Mike while he was working in the Josin showroom while Mary was out. He was welcoming, friendly and helpful. I always enjoyed seeing him in the showroom. It was heartwarming to see the way he supported Mary by attending the open house functions too. While I didn't know him well, his positive attitude, kindness and general disposition were enjoyable to be around and I was saddened to hear of his passing. My condolences to Mary and all his family.*

“ So sad to hear of Mike’s passing. It’s been quite a while but I have such fond memories from our time together at Josin, Mary. Mike came in to see you all the time and “I love you more than my luggage” will be forever engrained in my mind!
Hugs to you and we’ll be praying for peace and comfort. -Kathy Tapper and fam
