“ *Mikie was a coworker and a friend. She had a calming effect on everyone she touched with her awesome sense of humor and her outlook on life. She faced life head on and when something was wrong she would utter an "oh crikey" and look for ways to correct things. Mikie was an island in the storm and she would listen and make it better. Her smile was contagious. I will miss you sweet Mikie. My deepest sympathy to all who loved her.*

“ *Jim, Bob, Patrick and your families, I was so very sorry to hear about the loss of Mikie. I always admired her like an older sister since I never had one. One summer I went to stay with her for a week. It was when she had her daycare and we had so much fun. She let me eat ice cream for dinner and I remember how hilarious she was! I remember her taking such good care of Grandma T, always over there dusting her salt and peppers. You will be in my thoughts!!*

“ *My deepest sympathy to the family. I have worked with Mikie at two different jobs and she was a wonderful, happy person that I will miss.*

“ Bob and Family, I am so sorry to hear of your loss! Mikie was a good friend in my younger days and I was hoping to reconnect with her! Sometimes it is not meant to be on this earthly plane to reunite with old friends, but I hope in Heaven it will! My thoughts and prayers are with you at this time!
