“ *I'm so sorry about your mom! We spent a lot of time together and oh I could tell you stories! She was so kind and so much fun. We used to talk about everything! We lost touch after school and I can remember trying to track her down for reunions. I'm heartbroken that I didn't try harder. Please know that your mom had some great times as a teenager and she had a lot of friends.*

“ To Nancy's family: We were sad to hear of Nancy's passing... We were luck to have Nancy live with us for several years through Foster Care. She brought a lot of joy to our household and have fond memories of that time.. We lost track of her after the court returned her back home. We often wondered what had happened to her. So sorry and her family is in our thoughts and prayers.. If you feel like contacting us, we would enjoying knowing her family. We have many photos of Nancy in those years we would be glad to share with you. She was with from age 14 to 16 years. Stuart & Carole Weber Phone #402-228-2778
