March 23, 1955 - March 7, 2012

Nancy Louise (Miller) Hordvik was born March 23, 1955 in Fargo, North Dakota to Charles and Enid (Bergeson) Miller. Nancy grew up in Fargo where she attended Washington Elementary school and graduated from Fargo North High School in 1973. After high school, Nancy earned her Bachelor of Science degree from the University of Missouri, Columbia in Respiratory Therapy. As a young girl, Nancy enjoyed horse-back riding, hanging out with family and friends, and was active with her high school newspaper, even serving as its editor.

Nancy married Stein-Inge Hordvik on March 19, 1977 at Elim Church in Fargo, North Dakota, and to this union, two daughters were born: Signe and Sonja. The family has made their home in both Columbia, Missouri and Omaha, Nebraska.

Nancy has worked as a Respiratory Therapist and Research Coordinator for various companies, and has been recognized as a top researcher in her field of pediatric pulmonology. She has been an active member of the Cystic Fibrosis Foundation.

“ *To Stein and all of your family - I was just stunned to learn of Nancy's untimely death. I was on vacation during the past week and a half and just learned of this when I returned today. I heard that she was in the hospital the week before, but by the time I learned she was in I thought she would be home, of course not realizing that she was very ill. My thoughts are with you all during this most challenging of times.*
