“ *We are so sorry to hear of Nathans passing, he was such a great kid. Dylan always enjoyed hanging out with him and I can honestly say that he was always one of my favorite kids to have over to our house. His great smile and amazing attitude about life in general will be missed. He really touched our hearts and will always be remembered. Dylan, Austin, Lanette, Michael and Madeline Quint*

“ We were so very sorry to hear you have lost Nathan. I remember the time Lou Lou brought the two brothers over to Ginger Woods for a swim. I know he was a kid who loved hanging with his grandparents and loved life. We hope that in time, the many memories of the laughter and love you all shared can bring you peace

“ As your neighbors across the street, we were VERY saddened to hear of Nathan's passing. We feel terrible that we didn't know he was battling this. We feel for your family, and we thought Nathan seemed like a great kid from the little bit we talked to him, as well as Nick. If you need anything, let us know.

“ My deepest sympathy to each of you at this most difficult time. It was truly a pleasure to have worked with both of your sons. My last memories of Nate was his wonderful sense of humor as we tried to get math accomplished and he tried to run his motorized chair into the room. What an endearing quality to be able to laugh at himself and enjoy life to the fullest. May God grant you peace and comfort as only He can do.

“ You have our deepest sympathy. We have prayed for Nate every day since he was diagnosed and will now keep you in our prayers. It will be very difficult for you without Nate, but remember always that not only will he never again have to suffer, but he now dwells in the house of the Lord.

Logan remembers Nate as always being happy when he played soccer and was fun to be with. Nate was a team leader and you could tell he loved the game. Not only was he a great player and a pleasure to watch in action, but he made it more fun for everyone on the team. And now, Nate has achieved the ultimate Goal of Life itself, to be with our Lord Jesus Christ in Heaven.

May God Bless You,
