“ *Ngoc was my friend. I knew him and worked along side him for almost fifteen years. Once, when I needed someone to cover a class at Metro so I could attend my grandmother's funeral in Alabama, I could not find anyone. When Ngoc became aware of it, he immediately told me he would do it. I will never forget his act of kindness. Rest in Peace, my friend. You were a good man.*

“ *My sympathy is with your family. Ngoc was a special man with a smile on his face. He holds a special place in my heart and the the heart of our children at Pine Creek Elementary.*
