

Nick J Bull

February 21, 1985 - April 24, 2020

Memorials to the Town and Country Humane Society, 14110 S. 84 St.
Papillion, NE 68046;

Nicholas John Bull was born on February 21, 1985 in Omaha, Nebraska to Dave and Kathy (O'Connor) Bull. He grew up in Elkhorn where he attended Westridge grade school and graduated from Elkhorn High School in 2003. Nick went on to attend Washburn University in Topeka, Kansas where he was a member of the football team for four years. He enjoyed hunting, fishing and boating. Nick played football, basketball, baseball and track. Nick still holds the Eastern Midlands Conference record in the shot put with a toss of 59' 10" in 2003. He was a wizard at sports statistics and had a photographic memory ...if it was something that he liked!

Even though he was a Cardinals fan, Nick's favorite job was working for Brad Fedde mowing lawns. After his college football career, he played two years of semi-pro football in the Arena Football League with the Sioux City Bandits. Nick loved to go the family cabin on Ottertail Lake in Minnesota and take long drives with his dad to look for deer and turkeys. He enjoyed playing cards, especially pitch and going to car shows. Nick adored his nieces and nephews and loved his dogs Annie, Gemini, Murphy and Justify. His family remembers him as athletic, protective, unapologetic, big-hearted, humorous, intelligent,

passionate, tough, strong-willed and competitive. Nick enjoyed music, watching television and was an avid fan of the Huskers, Chicago Cubs, Miami Dolphins, and the Tarheels. He loved eating chicken wings at the Lighthouse, beef enchiladas at El Bees, all you can eat tacos at Buck's and Cinnamon Pop Tarts. Nick's pet peeves were liars, gross smells and Abby's jokes and he could often be heard saying "Let's go for a ride". He will be remembered for his kind heart, great sense of humor, being a hopeless romantic, his big brown eyes and his ability to be the life of the party.

Nick passed away unexpectedly on Friday, April 24, 2020 at his apartment in Elkhorn, Nebraska at the age of 35 years, 2 months and 4 days. He was preceded in death by his paternal grandfather Gordon Bull, maternal grandfather Patrick O'Connor and maternal grandmother Constance O'Connor. Nick is survived by his parents Dave and Kathy of Elkhorn; sisters Erin (Donn) Kasner of Omaha, Kari (Mike) Winklepleck of Sioux City, IA and Abby (Chris) Sayers of Leigh, NE; grandmother Margaret Bull of Elkhorn; nieces, nephews, aunts, uncles and cousins.

We are so sorry for your loss. Though not all the details of my Nick stories are still vivid, the fact that the mere mention of Nick can cause me to smile has never disappeared. After Nick's freshman year, he and I bantered some about what math classes he should take and the fact that I might need some breaks from him. Through some creative actions on his part, somehow I ended up with Nick for 3 of the 4 years and we continually laughed about his ability to manipulate the system. He is unforgettable and I know your hearts are breaking. You are all in our thoughts and prayers.

*To my dear cousins,
I am so sorry for the loss of Nick. I remember being around the twins,
Nick, and young Abbey back in Kellogg, MN when Grandma Iverson
was still living and playing at the town playground. Unfortunately, I have
lost touch with many of my Nebraska cousins, but, my heart breaks for
you all. The stories I read and heard about Nick makes me believe he
was a strong, funny, and compassionate person who put others
feelings before his own. Rest In Peace dear cousin and my deepest
condolences go out to the rest of the Bull family. My parents Denny and
Patricia Iverson also give you all their deepest thoughts and
condolences during this difficult time. God bless you all!*

“ Nick was a great friend to me. He was one of the first people I met in kansas on my recruiting trip. He welcomed me into his and zachs home thats when i knew i had a place with washburn. After a while i bought a home in a neiborhood across the Street from the college and nick, tossie and zach moved in. We had many adventures, lakes, food, seeing dogs born, and a hunting trip to nebraska. I still have my old pup I got from nick and zack. his name is titan, i have never met a better dog. Nick will always be one of my best friends. He saw the world in a different way. I was blessed to know him. He taught me that doritos makes the best nachos. He never held back, always was laughing and telling jokes. We were both one uppers so our time together was always wild and we would get into some really great times. Bull I may never run with the bulls in spain but I ran with a great bull from nebraska, and that was a hell of a ride... be well in the great sky. Fly in the heavens and give god a high five for me. Much love brother...

“ I was very sorry to learn about the passing of my nephew, Nick Bull. I last saw Nick about three years ago, and he was warm, carefree and friendly, I did enjoy talking with him after so many years.

My late sister, Connie, never had the opportunity to meet Nick, her grandson, as she passed away in 1970, but I know they would have been good friends. Connie liked the energy that boys like Nick had. I remembered when Nick was about a year old, and he wanted to get out of his crib. It was an operation that included his two older sisters and Nick. One of his sisters would get in the crib with Nick and then lift him so that the other sister could grab him and out he went. Nick did not seem to mind the method of escape - he wanted out and he was happy to be out of the crib's confinement.

My husband, Joe, our son, Drew, and I do extend our sympathy to my niece Kathy, her husband, Dave, and Nick's three sisters, Erin, Kari and Abbe and their respective families. A memorial will be given in Nick's name to the Town and Country Humane Society, 14110 S. 84 St. Papillion, NE 68046.

“ Dave, Kathy, Abby, Kari and Erin

Greg and I are so sorry for your loss, but hope the positive, loving memories help you during this difficult time. Our families became intertwined when we moved to Omaha back in 1997 with Josh and Nick becoming fast friends and Abby and Jasmine too. From grade school through high school we always had a "Bull" in our home and our hearts.

One of those memories is when Nick and Josh were in high school and playing football. It seemed we always had the football linemen - - Nick and Josh two of them -- and Jordan the quarterback in our pantry in the basement eating all the fun munchies and pop we kept stocked. We restocked it weekly! But the one time I really remember was coming home from a business trip and walking into the house and kitchen and seeing 10 of these big guys looking into my refrigerator looking for food and turning to me and saying "Hi Mrs. Garth --- glad you are home --- just checking on what we can eat". And then one New Year's eve when we had over 30 of them staying overnight at our home while it snowed outside --- eating everything in sight and then looking forward to my making breakfast of pancakes, eggs, and more! We loved having Nick and all of them all at our home because the laughs and jokes were endless.

I also remember how protective Nick and Josh were of Abby and Jasmine .. especially as they entered high school with them graduating. They asked the new seniors to watch out for them and make sure they were not harassed as freshmen --- loving brothers till the end.

May the memories everyone shares with you soften your pain and give you new memories to cherish. We look forward to seeing you personally sometime soon when we don't have to "social distance" and give you hugs. Just know our thoughts and prayers are with you all.

love to you all....

*Our son Rod was a freshman when Nick was a senior. They played

with new hilarious stories about his new friend Nick Bull. I would
always say that sounds a lot like his dad. Nick was able to give
everyone else around him a lot of laughter and that's a gift. That gift

“ Dear Bull family,

I have two fun memories of Nick I'd like to share that still make me laugh when I think about him.

In kindergarten, he and Will(BJ) were early readers. So, Mrs. Weber had them doing enrichment activities. They were to create their own alphabet books. They were working together too quietly, so she decided she'd better go check on them. Of course, those two little cuties were back their working on the letter "b". Cutting out pictures of ladies in the catalog modeling bras. It still makes me smile about those two thinking they were so clever.

Will's one and only slumber party, included Nick. As the boys entered our house, I checked all their bags. Sure enough, guess whose bag had two cans of shaving cream in it? Nick handed them over sheepishly and said, "Ah, it was worth a shot. Since you're a teacher, I figured you'd fine 'em". Still makes me smile.

Blessings and prayers to your family during this loss. I hope my stories remind you of that cute red haired freckled little boy.
