“ *Dear Kazuko, Lisa, and Kim,*

I am thinking of you with sympathy this morning. I wish I could have come to see you and be a part of the memorial, but I am cooking the Thanksgiving meal this morning for my family.

I saw your dad/husband when I was catering a wedding with a friend. We had a good visit about your family and where you are all living and what you were doing. What a great man he was. It was a pleasure getting to know him as he cleaned at Ames. You will miss him very much. My deepest sympathy, Betty Ditter

“ *So long Norm: You were one of the GOOD guys in that place where we worked. May your journey be short and the wind at your back. BJ(Hamboner)*
