“ I can hardly think about my about my dear friend Pat without tears of grief that she is gone from this life & joy at having known such a beautiful lady & wonderful friend since we moved next door to them over50 years ago. We had our daughters, Christie & Julie, just months apart, who have remained friends, as have my husband, Glenn who is recently deceased, & I & our son, David. Many miles apart didn't separate our great friendships over the years. With much sympathy & love to Bob, Christi, Jason & family

“ Pat was my adopted sister! I never had any, so she adopted me! She was such a loving and caring person and always happy! The thing I remember the most is: my brother Bob was out of town on business when she went into labor with Christi! She called me and said she needed a ride to the hospital. I picked her up and she was so excited about this baby! She proceeded to put down her window and scream at the cars to get out of the way! 'I'm about to have a baby" we laughed and cried all the way! I'll miss you my sister!!!

“ Every time my thoughts go to Patty, my heart fills with joy! She helped shape me into the woman I have become. My earliest memories are of looking up to her and hoping I would grow up to be as strong and beautiful as her. She will be forever a part of me

“ I have the fondest memories of my Aunt Pat watching me as a child .. from a very early age, I knew she was a special person. She was kind, compassionate, and loving - all the time, every time. She was, and is, an Angel. With love, nephew Jeff Miller.
