“Patty was my dearest friend and I loved her. I will truly miss her. Her wonderful soul and her humor. She could say the most hilarious “off the wall” comments about things. I’m grateful that she taught me how to make her towels. I’ll be thinking of her every time I make one..and then give it away..just like she always did. I’m honored that she called me friend and I treasure the time I spent with her. She’s forever in my heart
