“ *My heartfelt sympathies to you Vicki and Bobby and families. I wish I could make the service on Thursday and give you each a hug. You are in my thoughts and prayers and have my deepest sympathy. I know you'll miss her deeply but know she's with you each and every day and within you. Hope you find comfort in knowing others share your loss and comfort in all the memories you've been blessed to make with her. I for one will remember her smile and goodness. God bless each of you and hold you close in your time of sorrow. In fond friendship, Deann*
