“ *Steph and I wish we could be there in person to express our care and support. But even though we are unable to attend the service, we are there in spirit. We continue to lift your whole family in prayer.*

“ *Ralph,
I was so sorry to hear of Peggy's sudden passing. I finally retired from teaching last year and had been wanting to come to Valley to visit you both and find out more about the family history...and just hate that I have (again) put off something that I shouldn't have. My prayers are with you all that you will find peace and comfort knowing that Peggy is with our Lord and Savior Jesus Christ.*

“ *Ralph/Deb and family -*

While I haven't seen you all for so long, I have such wonderful memories of Peg and the warm welcome you always gave me when I came to your home. Sending you love and strength in the upcoming days.

“ When I was blessed to run into Peggy the last few years, it certainly warmed my heart to talk with her and get a recap of what had been happening lately and an update on all the family. As anyone who knew her will say, she brightened my day! Prayers to Ralph, the kids, grandkids and everyone else blessed to know her.

“ So sorry to hear about Peggy's passing. Your family will continue to be in my thoughts and prayers as you have been since Sue's recent passing. Two great people, gone too soon!
