

Peggy Lou Trofholz

December 11, 1944 - January 26, 2014

Peggy Lou Petersen Trofholz was born on December 11, 1944 in Omaha, Nebraska to Wayland and Hannah (Hofeldt) Petersen. She grew up in the Valley and Waterloo area and attended Waterloo grade school. As a young girl, Peggy enjoyed time with her siblings.

Peggy married Donald Haga in 1960 and they were blessed with two children: Kent and Tiya. Donald was in the Air Force and the family moved often with his deployments. Peggy married Ray Trofholz in 1984 in Fremont, Nebraska and they made their home in Leshara.

Peggy worked with her sister cleaning homes but her passion was her art. She created crafts, baskets, paintings, wicker chairs, bird houses and quilts. Peggy was a great cook, talented seamstress and gifted decorator. She was eager to try new things, especially cooking. Peggy was a simple woman, fun and good hearted and she provided a stable, loving home for her family. She enjoyed a good steak, Dr. Pepper Ten and dinner out at Farmer Brown's. In her own philosophical way she could often be heard saying "It is what it is".

Peggy passed away on Sunday, January 26, 2014 at Select Specialty Hospital in Omaha, Nebraska at the age of 69 years, one month and 15 days. She was preceded in death by her parents Wayland and Hannah, husband Ray and great grandson Michael Golden. “ *It doesn't seem possible that Peggy has been gone almost a year. She was one of my "special" clients and when she would call, it would just light up my day. I think of her every Christmas season when I put out the basket she made with pinecones and lights. It's nice to have that memory of how special she was.*

“ *Peggy was a delight! I loved her wit working with her as a client of mine and I also loved her creativity and still treasure the items I bought from her. Every year I set out my wooden pumpkins that I bought from her many years ago and think of my dear friend Peggy. I will treasure those pumpkins every fall and know she is smiling down on us!*

“ *I remember working with her at the longbranch back in the 80's. She was always pleasant and enjoyed her crafts & finds.*
