“ Dear Faith and family,

Perry was a great and Godly man and a true warrior for the Lord. He was a super mentor to myself and so many other people including many other state senators and staff. Wednesday morning Bible studies with Perry presenting the Truth of Gods word were the highlight of my week. He will be so greatly missed.

So sorry Faith. It is so difficult to understand why the Lord allows our loved ones especially such faithful servants to be taken to heaven at such an early age.

We will always remember the love that Perry showed toward our disabled daughter Whitney last summer on the zoom Bible study.

May the Lord give you comfort,

Senator Dave and Kathy Murman

“ Perry was my spiritual mentor for several years. He was a gifted teacher, whether in a large classroom or one on one. What I learned most from Perry was the way he delivered the message. He listened intently, he sometimes even took notes; he made sure he understood the situation, and he spoke with such kindness and love. He explained things clearly, and he could always rattle off Bible reference(s) off the top of his head. He cared for people so much. He would drop everything to meet someone in a coffee shop, or call and talk with them. Hours upon hours each day were devoted to teaching and mentoring, and being a friend. He never gave up on people. Thank You, Jesus, for giving us Perry. I bet he's teaching his heart out in heaven!

“ *Perry served not only as a Pastor to government but as a teacher to a group of Lincoln Physicians for several years. It was good to have him share his heart and his understanding with a bunch of docs. We don't understand the reasons but know God is in control and know that he will be missed.*

“ To Faith and all the family,
Perry was a special person in my life ever since I got involved with Capitol Ministries here in Michigan in 2012. Our contacts were by phone and though they were not frequent he was always helpful. We finally met at one of the annual training seminar gatherings in California. In conversations at the meeting and a chat at the airport once again he encouraged and informed me on questions I had that helped me move forward in the ministry here in Michigan. My wife and I were happy for Perry when he married Faith. It was obvious that he was happy. When he was asked to lead the State study ministers in North America, I could think of no one better. I think at Faith's suggest they set out to visit each of us and where we served across this country for the main purpose of encouraging us in our work. We thoroughly enjoyed having them in our home for a few days. We visited the State Capitol and saw where I worked when the legislature is in session. They attended church with us and Perry spoke to the Bible study I teach at the church to about eighty people. We've saw Perry and Faith at the last meeting that was held in Washington DC. Wonderful memories to us. We were stunned at the news of Perry being hospitalized with COVID-19 in intensive care, and then saddened to hear of his passing. We know he's in heavenly places with our Lord, but grieve the thought of his passing. Faith and the family are in our prayers. May God grant you peace, comfort and love.
Your friends,
