“ *So very sorry to hear today of Phil's death. I worked with him many years ago at MidAmerican Energy. He was such a great professional, kind, considerate, always willing to assist others. He could always be relied upon in every situation, sometimes under great stress. My deepest sympathy to his family and dear friends.*

“ *Phil was such a sweet, gentle soul who always had a smile for you; he will be greatly missed. One of my favorite memories is when he told us that they were just hanging around (at our house) to see if they could keep us up past 10! He had a great sense of humor, too! Tizz and Rich Connell*

“ *Mary Kay, Alan and Family, My heart bleeds for you. I only knew Phillip as a little boy, but I know how hard it is to have one of your kids called back to their Father in Heaven. Sending love and blessings to you all. Wava Wageman*

“ Phil didn't have a bad bone in his body. He would do anything for anybody. Always a kind heart, and good listener. Such a quiet man that wouldn't hurt a fly, with a sweet smile and a soft laugh. I know God's love is wrapped around him. RIP, Phil.

“ Our deepest sympathy to the Arp family. We enjoyed Phil's friendship for many, many years. He was so kind hearted and was just a dear friend to our family. We loved having him at Okoboji and enjoyed Bud Lights and sunsets. My children adopted him as their “Uncle Phil”. May all the memories comfort you and he is now at peace. We will miss him very much as he was with us usually on a weekly basis.

The pictures below are from our trip last October to Waco TX for a football game.

With deepest sympathy,
