“ Donna and family! I am so devastated to learn of the loss of Shelley. Your family was my favorite neighbors in Valley...the big white house at the end of the block by the park. The McDonald kids and I will never forget you. Rest in Peace Dear Shelley!

“ I was blessed to have worked with Rachelle the past 2 years. From the start she was always so welcoming, had a smile & shared her pretzels or gum. If I was having a bad day she would come up to you & talk to you & pat you on the back. She was just always there. No matter how bad she felt she always asked you how you were doing. It's the little things I will miss the most. May she rest in peace.

“ I would like to offer my condolences to the Fintel and Vencil Families.
I enjoyed Rachelle always at the office. I would stop often when I was upfront to chat for a few minutes with her.
I ask God's blessing and comfort to the entire family during this time and in the future.
God Bless Everyone.
