“ *Ralph will miss Ray more than he can say. They were best buddies since the Army days. He always made us laugh. He and I shared a good read. He always checked to see what I was reading. Had uncountable good times. We know that he's looking down on all of us and making sure that everything is ok.*

“ *My husband and I would like to convey our deepest sympathy to the family and friends of your beloved Butch. We would like to share with you something that has brought us much comfort at a similar time in our lives. John 11:14-44 shares with us the experience of Jesus resurrecting Lazarus here on earth before the very eyes of those he loved. We can only imagine the tears of joy when we too are reunited with our dear loved ones. (John 5:28,29) Butch will surely be missed by many of those who's lives he shared, remember the experiences you shared together and learn from them, hold them close to your heart and cherish them. May you find comfort from those who surround you at this very difficult time. Our sincere condolences to all of you.*

“ To my precious Aunt Marge and cousins...I love you all and pray for your comfort during this time of great loss of our Butch.
He will always be with us and I'll never forget his smile though I was very young and didn't get to know him well.
I am very confident in his joyous and heavenly reunification with his beloved little one! Rest in peace my brother and cousin.

“ Aunt Marge, Cousins Kate and Maureen

I know we don't get to see each other much, but I do think of you often and dearly; especially now, with the loss of our Butch, a big hearted man, son, brother and cousin. I will always appreciate you for the love and kindness you showed my family, during a time when it was much needed. Love you always, hope to see you soon.

“ Well the news is hard to take whenever someone you have known passes on. I would have to agree with everything my brother Joe spoke of regarding Butch (Raymond). I saw a lot of Butch growing up and sometimes probably thought he was a brother instead of a cousin. Butch's basement bedroom was always sooo cool to me as a youngster with the pine woodwork, french doors, etc. I can only imagine how his life experiences and the losses in Butch's life contributed to his day to day dealing with life. I remember a recent ride in his jeep touring the Valley area, his work and then a trip to the local Dairy Queen. Had a great time. Thanks for the ride! Cousin John(ny)

“ I miss my cousin and BUDDY immensely It hasn't completely been absorbed as yet. I always looked up to Butch when I was growing up. We'd all want to stay with him during vacations because he was always doing cool stuff. Motorcycles, '50 chevies and cool music. His heart was bigger than any I've ever met. He'd give you the shirt off his back and sacrificed his time on earth defending the U.S. in the army during the Vietnam war. He suffered many tragedies with family in his life, but not to worry as I'm sure Jesus is holding and hugging him very tightly right now. I sure miss my Cousin Butch!! I will continue to pray for Butch and his family. Amen.
