“ For the Johnson family. I have many fond memories of the Johnson family. My husband was a building contractor and the first person he hired - probably about 1960 - was Bob Johnson. He worked for our company (Crestridge Construction Company) for many years. Jamie also worked for us part of the time. Our son Jeff Carnaby went to the same college in Missouri as Dan and Ruth Ann, and sometimes they rode together when returning to school after the holidays, etc. Bob was a good carpenter who knew how to fix just about anything. We felt privileged to have him at our company, and he was liked on every job he worked on. (He thought it was funny when we asked him once if we had to have a reservation to eat at the steak house in Leshara -- it was very popular. He just couldn't imagine that we would drive all the way to Leshara with so many steak houses in Omaha - but we did!) I know he will be missed by his family and all of his many friends.

“ To the Johnson Family, we have been privileged to know Pastor Bob and Mary Lou since 2007. He was a true brother-in-Christ and had a heart for the lost. We will miss him. Whenever we got together, he would "take care of business" and then we could get him to laugh and laugh. At 82, he even helped Dale and Jamie put a full size picture window in the house! He was always willing to help when he was able to. We loved him and look forward to a reunion in Heaven in the Lord's time. Our thoughts and prayers are with the entire family and church family of Leshara. Deb and Dale Johnson, Leshara

“ *We lived in the Valley area in the late 1980s and I remember riding the church van with Pastor Bob. He and his sweet wife had a real heart for outreach. Rest In Peace Pastor Bob.*
