“ *After God removes wickedness and suffering, the earth will be transformed into a paradise. Then people will be able to live forever in perfect health and happiness. God’s Word foretells: [God] will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.*” *Revelation 21:4.*

In that new world, even dead ones will be brought back to life to share in those blessings: There is going to be a resurrection of both the righteous and the unrighteous; (Acts 24:15) That is why Jesus Christ could tell a repentant evildoer who expressed faith in him: You will be with me in Paradise.” *Luke 23:43.*
I HOPE THESE VERSES PROVIDE SOME COMFORT DURING THIS DIFFICULT TIME

“ *I'm so sorry to hear of Richard's passing. I knew him from working at the low-cost vax clinics. He was a nice guy with a great sense of humor. RIP Richard....*

“ I knew Richard at Creighton University and through the Graybackers, (retirees from Creighton). What a nice person! He was a valued member of the Creighton Medical School team. I respected his work and will miss seeing him and visiting with him at our meetings.
My sincere condolences.

“ He loved the dogs at NHS and did amazing things to socialize them and helped them with walking and outings until they found their second chance through adoption. My deepest condolences.

“ We are saddened to hear about Richard. He was always a big help to us at our vaccination clinics, he loved talking to everyone and he loved his animals, woodworking, cars, traveling etc. He will be greatly missed by many people.

“ I knew Richard from dog walking at NHS. He loved all the dogs and we never knew who he would bring to a play group or how many! He always assumed they would all get along! I loved hearing his stories about his bug eyed Sprite! I know he is in a dog filled car heaven! Sad to lose a gentle dog friend! Much sympathy to his family!

“ Richard was a fellow dog walker at the NHS with me for many years. He was very dedicated and would spend a lot time with the fearful dogs and helped them adjust. I can't attend the services due to my health but will send a donation in his name to the NHS.He was a good man and a regular walking book of knowledge. So sorry for his loss. Denny Nielsen.

“ Richard was a great man. His son Paul and my son were friends throughout school. They spent many hours experimenting in Richards shop. I am sorry for your loss and know you will miss him. May he rest in piece.

“ I am very sorry to all who are affected by this loss. Coping with the loss of a loved one is probably one of the most difficult things to endure. Although it doesn't remove the pain or bring our loved one back to us now, the bible offers much comfort and hope that our God has given us for the future.. At 1 corinthians 15:26 Paul wrote that the last enemy death would be brought to nothing. There is much more hope and encouragement to be found in the bible. Please take care and again very sorry for you loss.
