“ *Donna: I am so sorry to know that Dick is gone. He was always one of my favorite cousins and you, too, when you married him all those years ago. I remember attending your wedding with my folks. I enjoyed his emails and his ranting about Cornhusker Football. I have missed hearing from him this past year.*

You and Dick did so many nice things for Leona, Peach's and my mother. We both lived so far away from Omaha and it was comforting to know that you were there and cared so much about her. I knew I could count on you to be there when I couldn't. Thank you so much for your love.

“ Bill,

So sorry to hear about the death of your father. I lost my dad almost ten years ago. I think about him frequently and miss him often. Time and prayers are great healing mechanisms.

Time will take care of itself but we will help with the prayers.

God Bless you and your family, Are prayers are with you

“ *Donna and children,
I was so sad to hear of Dick's passing. He did so much in documenting the Fleming family's history with stories and photographs. I wish we would have met other than via the pen.
I will pray for all of you.
