“ *even though he's gone i still remember when he first taught me to fish and swim .and use to tell me i look like my mom in the picture,until we meet again love you always and forever*

from your granddaughter, Kayli

“ *Even with my earliest memories Uncle Richard was there. There have been several good memories. One of the first was of camping in Outlaw Canyon. The way we all laughed and had fun was how I remember him. From what I have seen he raised wonderful children and was the best of uncles and sons within our family. I send love to the family that is left behind and a prayer that he is sitting where he belongs at the right hand of God for all of eternity.*
