“ So many memories. Where to start? At the house in Waterloo, in Canada, In Europe.
So many. You were like a brother. You will be missed! You are missed already!

“ So many good memories throughout the years! Uncle Dick always had a smile and that glint in his eye, full of trouble and laughter! I have to say that as we spoke about him over his weekend, my favorite memories are Canada. He always insisted on sitting next to me when we played UNO so he could get me with whatever nasty cards he had! And in the morning, he would always throw rocks on the roof to let us know he was on his way for a cup of coffee! His laughter was so contagious, and he was full of spirit and tricks. I will be forever grateful that our parents went on all sorts of Canada and Europe trips together, and were able to share so many fun and wonderful memories! Uncle Dick will not soon be forgotten!
Please let me know if there is anything I can help with! Our prayers are with you all as you go through this difficult time.
