“ I worked closely with Rich for about 15 years at Acceptance and Berkley Risk. Rich was a guy I could always count on to get the job done, and done the right way. Rich was usually the first one in the office and the last one out but was always available to share a joke with that big smile and hearty laugh! An absolutely wonderful person taken too soon.

“ Susan: Not only am I sad to read this news but shocked as well. You guys are still young (in my mind) & we are celebrating your wedding in that tent in the backyard. Remember? I've traveled your path so know we wrap you in our arms with a huge hug of comfort as you navigate this path.

“ Sincere condolences to the family. I was saddened to hear of Rich's passing. Rich was such a hard worker, he was my manager at Berkley Risk over a decade ago and taught me a lot. He was such a nice guy, I can still remember his laugh.
