“ *Gordon,  
It has been a pleasure getting to know you and Rita over the years at the Rehab Center. Rita had a work ethic that I wish all patients could have. She would always do whatever it was that was asked of her and more. I will miss her polite and kind greeting each morning. I wish there was more that I could have done to help her. We can all rest assured that she is in God's protective care. May you know His comfort at this difficult time.*

“ Our family frequents the Elkhorn Eagles with regularity on breakfast Sundays. We have become accustomed to seeing Rita there either running the cash register or there eating breakfast like the rest of us. We always feel more welcome and relaxed when there are nice people like Rita there to greet us. We will miss her friendly face and gentle nature. We extend our sympathy to the entire family and feel your lose.
