“ *Rita -- loving wife, caring mother and grandmother, and true friend. I will truly cherish the last visit I had with Rita a month ago. I always admired Rita for who she was as a person. She was a great listener, a very hard worker, and a very sincere gal. With Rita, it was "what you see is what you get!" She was the most honest person I know and was so easy to talk to and to laugh with and confide in. My sincere sympathy to Vaughn and the kids and grandkids. You were Rita's stars! Keeping you in my daily prayers.*
