“ *Dear Uncle Phil, Phil and Paul,*

*I was sorry to hear about Aunt Rita passing so quickly and yet, it is so hard to see our loved ones suffer. I think she was a lot like mom in that they "spared" us by asking God to take them swiftly "home". Still, it hurts to no longer have them as a physical presence in our life but I truly believe that when we lose someone close to us they still live through us and give us strength. The time we have spent with them makes them part of us.*

*After dad (Louis Gross) passed away 30 years ago this month, Aunt Rita was so good about keeping mom informed of what was happening in the Gross family, and mom was so appreciative of that. She thought the world of Aunt Rita and I know the reverse was true from what Aunt Rita wrote in the sympathy card we received from her when mom passed away last March.*

*When those we love become a memory, the memory becomes a treasure. I will continue to keep you all in my thoughts and prayers during this difficult time.*

*God Bless,*
