“ *Dear Bauermeister Family,*

Please accept our deepest sympathy on the passing of your beloved Robert. Bob and I came to be good friends over the past four years as we worked together in Aruba. He was also an excellent colleague. He was always willing to help out even when the task was not in his realm of responsibility. He had a cheerful disposition and made others around him feel of his joy and happiness. From time to time Bob and I had the opportunity to discuss our feelings for God, and I know that he believed in a Supreme Being. May he find joy in the arms of God and may you find solace in His peace.
