“ *I am so very sorry for your family's loss. Bob and I were in the same class at St. John's Parochial School in Prague and the last time I saw him was in 1992, I believe, when the classes from Prague were having some kind of reunion. I was there for a Sedlacek reunion at the time. Many years had gone by but Bob was still the nice boy that I remember from the fourth grade, which was the last grade that I lived in Prague. I do definitely know that he is in a wonderful place now. God bless you and my thoughts and prayers are with you all.*

“ *Our thoughts and prayers are with you. We remember Bob as a very generous person. He would make himself available anytime you would call him to help the youth in Yutan by umpiring countless ball games.*
