“ *My husband and I would like to convey our deepest sympathy to the family and friends of your beloved Robert. We would like to share with you something that has brought us much comfort at a similar time in our lives. John 11:14-44 shares with us the experience of Jesus resurrecting Lazarus here on earth before the very eyes of those he loved. We can only imagine the tears of joy when we too are reunited with our dear loved ones. (John 5:28,29) Robert will surely be missed by many of those who's lives he shared, remember the experiences you shared together and learn from them, hold them close to your heart and cherish them. May you find comfort from those who surround you at this very difficult time. Our sincere condolences to all of you.*

“ *Dear Wanda and family, I just wanted to send a note to let you know that our thoughts and prayers are with you during this very difficult time. Robert and I graduated with Robert back in 1972, and I have very fond memories of our High School years with him. The thing that stands out the most is how he could make you laugh! He was always so much fun to be around.*

“ Dear Wanda and family: I just learned last night from my brother Jr. in Omaha of Robert's passing. I am truly sorry for your loss and want you and your family to know I am thinking of you. Though we have not had contact for years, I do remember Robert as he was in my sister, Nancy Yates Storant, class at Humboldt High School and I was in John's class. I do know Janie has been gone a number of years now and again, my thoughts and prayers are with you during this very difficult time. I lost my youngest brother, Allen, 3 1/2 years ago and I know how tough it is for the remaining siblings. Love to all, Carol Yates Herron
