“ *We met Bob and Barb the first few hours we moved to Omaha when they and the Fentons helped us unload our Uhaul! They stood in for our sons godparents who were unable to come from MN and were always so much fun. We remember his Christmas tom and Kerry's too. We still run into Vikey now and then and so enjoy that. we are glad he got to have such a long and fruitful life, and will be missed by many. Our best to Bard and the family, you are in our prayers. “ Aunt Barb, Tim and Vicky --

*I remember Uncle Bob as a gentle, quiet man. Always with a welcoming smile and manner.... Like my dad, Hugh, his "big brother". I thought they looked so much alike too.*

*Love to all of you and thinking of you at this difficult time. Wish I could have been there for his services.*

*Love,*

“ Barb, I was sad to learn of Bob's passing. I have many happy memories of visiting you both in Yuma with Ruth and Paul. Many good times in Mexico.. You were both so welcoming to me. You were a special couple. My heartfelt sympathy to you and your family.
