“ *Still think of "Scoop" when I pass by a big construction site. Neat man. He was one of our regulars at Bergen Cardiac Rehab.*

“ *Tim and the McArdle Family,*

I was unable to attend the service and wanted to pass along my sympathy and thoughts. I was very sorry to hear about Scoop's passing. He was a great man and will be missed by many. As a friend of Tim's, I have many fond memories of my younger years hanging out the McArdle house. Over the years, I always enjoyed seeing Scoop out and about in the Elkhorn area. I wish you the peace and comfort that time and memories can bring.

“ My parents were Jake and Opal Sass. We were longtime neighbors to Scoop and Betty in Elkhorn. I have been gone from Elkhorn for better than 40 years, yet anytime I saw Scoop or Betty they would recognize me and be willing to visit with me, especially at alumni events. My deepest sympathy to your family for your loss.

“ *Uncle Scoop....I have to say, he was my favorite uncle. When I was a little girl, he always let me sit on his lap. So kind, so generous, and a very loving man. When I married Eric, they just clicked. They could talk hours about machinery and dirt moving. A truly genuine man. So glad I was a part of Uncle Scoops life. Prayers to the family.*
