“ *I am so sorry for your loss. I got to know Bob while he lived at*  
*Heritage Pointe. I used to work the overnight shift so I got to know*  
*him by helping him get ready in the morning. Then switched to the*  
*evening shift and got to know him even better. He and I went many*  
*of rounds in the morning while getting him ready then in the evening*  
*helping him with his evening routines. He liked to portray himself as*  
*a hard person to get along with but I knew deep down inside he was*  
*a pussycat. I am forever grateful that I met and got to know him. He*  
*will be truly missed.*

“ *I knew Bob for many years at Western Electric and AT&T and whatever we morphed into later. He always had a good joke to tell and a positive attitude to reflect and I always appreciated his ability to make people happy. He was one of the good guys, the truly good guys we all miss him very much.*

“ *We have very fond memories of our brother-in-law, Bob, especially the great humor that he always showed. He was also very warm and welcoming and kind. We miss him very much and send our love to Connie, the girls, grandkids and great-grandkids. His light shone brightly while he was with us, and still illuminates our lives. May he rest in peace. Amen.*

“*Connie, Bobbi & the rest of the family: We are truly sorry to hear that Bob has passed away. It is my belief that when we lose a loved one here on earth, we gain an angel in heaven that watches over us. May you take comfort in knowing that you have an angel to watch over you now. May the love of family and friends comfort you during these difficult days. Please accept our condolences and may our prayers help comfort you. Love, Dawn (Jensen) & Thomas Weiland*
