“ *Bob was a really nice guy. He worked with my sister at First Data and I got to meet him a few times through her. He was nice enough to come to my high school graduation party. Years later I got the chance to work with Bob at First Data myself. I am very sad to hear of his passing.*

Bob was a very nice guy and always friendly to me in High School! We went to Christmas Prom together and I'll never forget what a great time we had! I felt like a Princess! He was a great guy and a gentleman!
